School Planning is under way for 2015-2017 and we are busy looking at the future needs of our students and Palinyewah Public School. The planning process is comprehensive and responds to the needs of the school based on data and information gathering. Please return the question and answer sheet emailed with Monday communication to have your ideas and opinions considered in the current round of planning.

Excursions
The Small Schools Excursion to Aldinga is on next week. The itinerary looks fantastic. Have fun and bring home lots of stories to tell.
The K-2 Excursion will be held on Thursday 20 November. We will be visiting the Botanic Gardens to participate in an Educational Program called Plant Magic and visiting the Dareton Police Station to learn more about services in the community that help us to be safe. Please return the permission slip to the front office by Monday 17 November. Parents will not have to pay the $10.00 fee as previously indicated as the P&C have kindly paid for the student expense for the excursion. Thank you.

Presentation/Concert Night – 11 December 2014
Planning is under way for our annual Presentation Night and Concert. I have attached a list of costumes that students will require for the play they will be performing on the night. If you have any questions about the night, please call the front office for information. If you would like extra flyers for friends, family and community advertising the night these can be collected from the school front office.

Class News
Students in 3-6 have been involved in a novel study and have come up with some creative responses to character studies and scene recreations.
