Normal School Routine Tuesday 2nd September

Parents may have heard through the media that there will be a two hour stop work meeting on Tuesday 2nd September. Palinyewah Public School will be operating as normal so please send all students to school as usual. Normal class routines apply.

River Health Conference

Next Monday and Tuesday our Year 5 students will be taking part in the River Health Conference in Mildura. Those students will have a permission note and conference details handed out to them. The Year 3 & 4 students will be working at school with Mr Mercer and continuing their regular work. We will need to get students to Mildura Grand Hotel by 8:30 both mornings, home at 8:45pm on Monday and 2:45 on Tuesday. Mrs Wall will be able to help with students who live or stay in the Wentworth / Curlwaa or Dareton area. Details on the transport of Palinyewah based students will be finalised this week.

Wentworth Show

It was wonderful to see the work done by our students at the Wentworth Show both in the school displays and in their own entries. A big thank you to Keren who spent many hours working with our students to put together their Orange tree display, frog sewing cards and butterflies. They looked really effective. We will hopefully put a list of results in a later newsletter when they are available.

University Students

Last week two students, from Charles Sturt University in Albury, commenced a five week placement with us. Both girls Tracey and Liz are in their last year of a double degree Bachelor of Early Childhood / Speech and Hearing Science. They will be working with individual students or small groups focusing on language development. They have already been a wonderful help with the Wentworth Show display.

School Website

Remember to check the school website every now and then. Steve updates it each two weeks and has added photos from some of our events.
